

Incurring Campus Charges/Fines during SUROC

Any outstanding campus charges i.e. library fines, parking tickets, lost keys, room damages, etc., incurred while on campus for SUROC @ UNC program will be your responsibility.

If you are a UNC student, these fines/charges will be handled in the same fashion that they are during the academic year.

If you are not a UNC student, your travel reimbursement will be held until we receive verification that you do not have any charges/fines.

Again, SUROC **will not** be responsible for any charges/fines you incur while participating in the SUROC program.
